## Description

The DreamLine Duet sliding bypass shower or tub door has a sleek, elegant design that will complement both classic and modern bathroom decors. The Duet features semi-frameless glass and smooth gliding rollers for a touch of traditional style, and offers a clean, streamlined appearance. DreamLine has the ultimate solution for your shower project.

## Features

- Double sliding bypass configuration allows entry to the shower from left or right side
- Semi-Frameless glass design for a streamlined look
- Specially designed rollers create a smooth, quiet gliding operation
- Top and bottom guiderails can be trimmed up to 4" for width adjustment
- Wall profiles allow up to 1/2" of adjustment per side for out-of-plumb (uneven walls)
- Anodized aluminum guiderails and wall profiles
- Two convenient towel bars double as handles on each panel
- 5/16" (8mm) thick ANSI certified clear tempered glass
- Hardware available in Chrome or Brushed Nickel
- **IMPORTANT! All measurements should be taken only AFTER walls are finished (tile, back walls, etc.)**
- **Professional installation recommended**
