

Flex

- 1 Flex Shower Door in Chrome Finish
- 2 Flex Handle in Chrome Finish
- 3 Flex Pivot in Chrome Finish

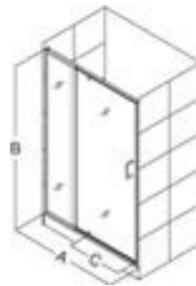

Description

The DreamLine Flex pivot shower door or enclosure has modern appeal and semi-frameless design that is ideal for those that want the beauty of frameless glass, but have budget or design limitations. The versatile Flex model combines cutting-edge pivot hardware and an impressive capacity for width adjustment, which simplifies installation and offers dependable performance. Complete your bathroom with an elegant and innovative look of the Flex model from DreamLine for the ultimate solution for your shower project.

Features

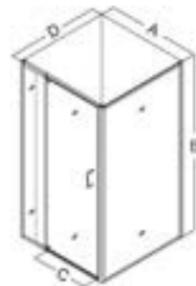

- Semi-Frameless glass design that is built to last
- Reversible for right or left door opening installation
- Full length magnetic door latch for water tight closure
- Solid brass pivots provide durability and luxury
- Anodized aluminum wall profiles
- Wall profiles allow up to 1" (1/2" per side) adjustment for width or out-of-plumb (uneven walls)
- Up to 3" of additional width adjustment within the telescopic rails
- 1/4" (6mm) thick ANSI certified clear tempered glass
- Hardware available in Chrome Finish
- **IMPORTANT! All measurements should be taken only AFTER walls are finished (tile, back walls, etc.)**
- **Professional installation recommended**
