Satin Black

- 5/32" (4mm) thick ANSI certified clear tempered glass
- Anodized aluminum wall profiles allow 1/2" out-of-plumb adjustment per side
- Glass pattern is an application of black glaze, offering a unique style without the metal framing for easy maintenance.
- Glass Pattern: Toulon
- Two sliding panels, with two stationary panels on sides meet to create corner walk through
- Full length magnetic door latch for water tight closure
- **IMPORTANT! All measurements should be taken only AFTER walls are finished (tile, back walls, etc.)**
- Professional installation is recommended
