Description

The DreamLine French Corner sliding shower enclosure is a perfect complement to a modern industrial bathroom style with a European vibe. The satin black window pane design and hardware finish will add bold style to any bathroom. The French Corner is designed for a corner installation providing an effective solution to maximize space. The four panel configuration includes two corner-opening sliding doors to create a spacious center walk through. Update the style in your bathroom with the French Corner sliding shower enclosure. DreamLine has the ultimate solution for your shower project.

Features

- Two sliding panels, with two stationary panels on sides meet to create corner walk through
- Anodized aluminum wall profiles allow $\frac{1}{2}$ " out-of-plumb adjustment per side
- Satin black window pane design
- $\frac{5}{32}$ " (4mm) thick ANSI certified clear tempered glass
- Full length magnetic door latch for water tight closure
- Hardware Finish: Satin Black
- **IMPORTANT! All measurements should be taken only AFTER walls are finished (tile, back walls, etc.)**
