

Prism

1. Prism Shower Enclosure in Chrome Finish
2. Prism Shower Enclosure Pivot in Chrome Finish
3. Prism Shower Enclosure Handle/Towel Bar in Chrome Finish

Description

The Prism neo-angle shower enclosure uses a desirable corner installation to open up a bathroom that has limited space. The Prism shower enclosure has 3/8" thick ANSI certified clear tempered glass and a unique solid brass pivot mechanism to enhance its sophisticated design. With its clever header-footer design and anodized aluminum guiderails that allow for up to 3/8" out-of-plumb adjustment on each side, the Prism shower enclosure shines in any bathroom. Add class and style to you bathroom by choosing the Prism shower enclosure by DreamLine.

Features

- **IMPORTANT!** All measurements should be taken only AFTER walls are finished (tile, acrylic back walls, etc.)
- Stainless Steel pivot hardware
- Frameless glass design
- Anodized aluminum wall profiles allow up to 3/8" out-of-plumb (vertical) adjustment on each side
- 3/8" (10mm) thick ANSI certified clear tempered glass
- Full length magnetic door latch for water tight closure
- Hardware available in Chrome or Brushed Nickel finish
- Optional SlimLine™ matching shower base and Q-Wall backwalls (sold seperately)
