Technical Information

This pedestal lavatory comes with two heavy-duty plastic mounting brackets. Easily installed and adjusted, each contains three holes for solid mounting against wall. Anchoring screws must be used for correct installation. Standard plumbing practice recommends use of both mounting brackets and anchoring screws.

NOTE: For secure installation, wall-mounting hanger should be fastened to solid, support wall stud.

See our complete line of acrylic and vitreous china bathroom fixtures, plastic tank trim and plumbing products.

These dimensions are nominal and subject to change without notice.

Fixture performance and specifications meet or exceed ASME A112.19.2-2008/CSA B45.1-08 standards, and other state and local codes.
