**COLORS**

(See inside back cover for color sample.)

- Bianca (075)
- Granito (076)
- Nero (077)
- Espresso (170) – Available in 2010

**MAINTENANCE AND CLEANING INFORMATION**

Clean your granite sink by using warm water and a soft cloth, sponge or Mr. Clean Magic Eraser. Non-abrasive liquid cleaners and detergents can also be used. Hard water, calcium and lime deposits can be removed with white vinegar on a paper towel and rinsing after 20 minutes. To restore luster and extend time between cleanings, Weiman's Granite Polish is recommended. Staining liquids such as dyes and vegetable juices should be rinsed off as soon as possible. **Do not** use abrasive cleaners, metal scouring pads, bleach or alkali cleaners such as ammonia.

Undermount clips sold separately. Faucet options are limited to available hole placement. Please contact your dealer for more information.
