## COMPANY PROFILE

**ALFI brand** is a family owned business that is passionate about helping individuals transform their kitchen and bath. We are dedicated to manufacturing innovative and unique products that are both beautiful and functional. We offer a diverse selection of kitchen and bath products that won't be found elsewhere, with an emphasis on quality and distinctive designs that will still fit your budget.

Our collection of kitchen products includes; fireclay sinks imported from Israel and Italy, concrete and bamboo sinks and matching solid stainless steel sink grids, strainers, and faucets. The bathroom collection includes a large selection of faucets, tub fillers, shower mixers, one of a kind LED and ultra-thin solid stainless steel rain shower heads, porcelain wall mounted bathroom sinks, vanity sets, and wooden & resin bathtubs that will provide an eye catching twist to any bathroom design.

**ALFI brand is your number one source for high-end quality sinks and faucets at affordable prices.**

## WARRANTY

**ALFI brand** products are warranted for normal use and exclude defect or damage caused by or resulting from misuse, abuse, neglect, scratches, dents, abrasives, chemicals, improper installation/care/maintenance (whether performed by a plumber, contractor, service provider, or unqualified person), or alteration. This warranty does not apply to the replacement of components where damage is caused by normal wear and tear, dirt, lime scale, aggressive water conditions, or harsh or abrasive cleaners or materials. If a product is defective, the limit of damage is the cost of the defective material. Our warranties are nontransferable.

**ALFI brand** is not liable for consequential damage, labor loss, or expense of any nature.

This warranty applies to residential applications. Commercial/Industrial/Business applications are warranted for 1 year from original purchase date.

## GRANITE COMPOSITE KITCHEN SINKS FEATURES

### HEAT-RESISTANT

Alfi Brand sinks withstand thermal shocks, including the most severe ones, and very high temperatures (up to 280°) without being damaged.

### NO COLOR FADE

Color is the identifying element of Alfi Brand sinks. The sink's colors remain bright and unchanged in the course of time, even in case of frequent and prolonged exposure to sunlight.

### SCRATCH-RESISTANT

The high percentage of mineral charges present in the mixture makes Alfi Brand sinks very resistant to scratches, marks and wear.

### EASY TO CLEAN

Since the surface is not porous, the sink can be quickly cleaned by means of a standard detergent and the simple action of a towel or sponge. The sink is always fresh, clean and hygienic.

### HIT-RESISTANT

Alfi Brand sinks have an elevated strength, they are also very tough. This last characteristic protects the sinks from breakages or damages that may be caused by accidental hits.

### TESTED FOR FOOD CONTACT

Several tests carried out by independent institutes do certify Alfi Brand sinks complete suitability to food contact.

### STAIN-RESISTANT

Alfi Brand sinks do stand everyday aggressive substances and food very well. Dirt and stains can be removed by rinsing and gently wiping the sink.

### AND ALSO...

Alfi Brand composite material sinks are also heat-insulating and sound-absorbing. They maintain the hot water longer, and absorb the noise of the jet of tap water.
