

Kraus USA has been operating for over 10 years with one simple mission: To make quality, style, and value accessible to every customer. With Kraus, you get more than just beautiful and durable kitchen & bathroom fixtures. You get an outstanding experience, from selection to installation to care and maintenance, and beyond. At Kraus, we believe that everyone deserves to live beautifully, and we expand the limits of how you can design your home.

Most importantly, every interaction with Kraus reflects our commitment to providing a gold standard of quality in every aspect, from products to packaging to service. This approach allows us to easily address a wide and ever-growing range of consumer needs and preferences. Factor in the security of our Limited Lifetime Warranty, and you have an unparalleled experience and a product you can enjoy for a lifetime.

Kraus products offer our customers a range of benefits, from water-saving faucets with high-efficiency aerators to flawless finishes with a lifetime guarantee. Every Kraus fixture is constructed from safe, sustainable materials, with components that are made responsibly and are built to last.

GRANITE SERIES KITCHEN SINKS

Kraus granite sinks add a stylish touch that's perfect for the modern kitchen, with streamlined designs and the look and feel of real stone. The high-performance granite composite is engineered from natural materials for durability and maximum resistance to impact. The non-porous and naturally hygienic construction resists all stains, from white sauces to red wine. The rich black color looks great in any setting, with a matte finish that complements today's popular granite countertops.

BATHROOM

Inspired by the idea of the bath as a personal oasis, we aim to transform the traditional perception of fixtures from purely functional pieces into aesthetically impactful elements that you can build your bathroom around. Our bath collection features products for every preference, from classically inspired to transitional to modern, offering an unlimited variety of style solutions for better living.

GLASS SERIES BATHROOM SINKS

Handcrafted from tempered glass, Kraus Glass Series sinks are functional works of art that add a touch of elegance to any bathroom. The designs featured in this collection come in a range of styles: Clear, frosted, or decorated with attractively colored patterns. The colorful palette creates contemporary appeal, providing the flexibility for anything from a dramatic look for a sleek, modern bathroom to a striking centerpiece for eclectic décor.

LIFETIME LIMITED WARRANTY

KRAUS LIFETIME LIMITED WARRANTY

Kraus sinks and faucets have been manufactured and tested to the highest quality standards by Kraus USA Inc. ("Kraus"). We offer our customers thoughtfully crafted fixtures & accessories for the kitchen & bathroom, engineered for enduring performance over years of use.

WHO IS COVERED BY THE WARRANTY

This warranty extends to the original consumer purchaser for only as long as the original purchaser owns the home in which the sink or faucet was first installed. This warranty is not transferable, between homes or owners, and is only applicable to residential use.

WHAT IS COVERED BY THE WARRANTY

Kraus warrants the product, parts, and finishes against defects due to material or craftsmanship error during the warranty period (for as long as the original purchaser owns the home in which the product was first installed).

WHAT WE WILL DO

Kraus will provide replacement parts at no charge or, at its option, repair or replace any product or part of the product that is deemed defective under normal installation, use, service, and maintenance. If Kraus is unable to provide a replacement, and repair is not practical or cannot be made in a timely fashion, Kraus may elect to refund the purchase price in exchange for the return of the product.

CONDITIONS AND EXCLUSIONS

Like other home fixtures, Kraus products will require light maintenance to ensure proper function. We provide you with all required knowledge to perform this maintenance, and can also recommend resources if you are unable to fulfill this service.

- A. Kraus will not be responsible for product failures due to lack of maintenance or proper use. Please read your care and maintenance documentation to determine the limits of proper use.
- B. The original sales receipt, order number, and/or proof of purchase must be presented at the time of the warranty claim, without exception, for this warranty to be applied to all Kraus products.
- C. Kraus recommends installing all Kraus products with a licensed professional plumber. Kraus will not be held responsible for any damage or product failure due to improper installation, misuse, or failure to use a licensed professional. Please read your care and maintenance documentation to determine the limits of proper use.
- D. Commercial use will automatically void this warranty.
- E. This warranty is not applicable to Kraus products purchased from an unauthorized seller. For a complete list of authorized sellers, please visit www.kraususa.com/where-to-buy.html

LIFETIME LIMITED WARRANTY

NON-APPLICABILITY OF THIS WARRANTY

By the purchase and use of our products, you agree that Kraus is not liable for incidental, consequential, or special damages associated with the return, replacement, installation, or use of the product. This includes freight costs, cartridge replacement, labor, travel time, lost profit, home damages, and other contingent liabilities and costs (including, without limitation, costs associated with experts, investigations, analyses, attorneys, and other professionals and services). The Kraus warranty is a comprehensive and explicit limit of liability, and all items outside of it are not addressable by, or the responsibility of, Kraus. Certain states have variances regarding implied warranties, and in those situations we remain fully compliant.

KRAUS USA Inc. makes no implication that products comply with any or all local building or plumbing codes. It is the consumer's responsibility to determine local code compliance. This warranty extends to the original purchaser and first consumer.

WHAT TO DO TO OBTAIN WARRANTY SERVICE OR REPLACEMENT PARTS

A warranty claim may be made or replacement parts may be obtained by calling or writing to:

If you are a HOMEOWNER please contact a Kraus Customer Service Representative at:

Kraus USA, Inc.
