NEW COLLECTION

A Designer's Dream

Enjoy **M-CORE™**'s improved style options including perfectly matching transfer trim, and attention to details that reflects a desire for a dream bathroom. Not only does M-CORE allow for a wider array of trim selections, it also lets those going through the new construction or remodeling process take their time with selections as functionality and style choices can be made after the valve is plumbed.

With M-CORE transfer valves, consumers can choose from a wide range of options to flow showering devices in a single or shared mode.

- Offers 3 or 6 function transfer ability:
3 function: Three distinct or two distinct/one shared
6 function: Three distinct or three shared
- Broad range of finishes and perfectly matched style
