Canvas Products

Canvas Bags and Accessories

DESIGNED FOR PROFESSIONALS.

Greenlee is pleased to announce our **NEW** line of Canvas buckets, bags and accessories. These products are designed specifically for professionals to address their need for rugged, portable and convenient storage for tools and accessories.

From every detail, we've made these products with today's professional in mind. For instance, all the buckets are made with tough, impact resistant molded top rings and bases to maintain

their shape, securely hold tools and to stand up to real world use. Top grade canvas, reinforced wear points, heavy duty nylon stitching and black nickel plated hardware ensure durability in any kind of weather. Also, all of our hanging buckets include a load rating. Whether working in the field, up in a lift bucket or out of a truck, professionals can carry their gear with confidence that these products can do the job and do it safely.
