3-PIECE INSULATED TOOL KIT

Klein Tools Electrician's Insulated pliers and wire strippers are 1000V rated for safety on the job. The multi-color, sleek design with small thumb guards provides comfort for all day use, while also making for easy handling and storage. The durable, molded insulation meets or exceeds IEC 60900 and ASTM F1505 standards for insulated tools.

36% greater leverage

46% greater leverage
Sure-gripping cross-hatched knurled jaws

Cuts, strips, and loops both
10-18 solid and
12-20 stranded AWG wire

Pliers (Cat. Nos. 2288RINS and 2139NERINS) feature:

- Induction hardened cutting knives for long life
- High-leverage design has greater cutting and gripping power than other plier designs
- Hot-riveted joint for smooth action and no handle wobble
- Made of forged steel for maximum durability

All tools meet or exceed IEC 60900 and ASTM F1505 standards for insulated tools and are clearly marked with the official international 1000-volt rating symbol

Integral guards help prevent hand contact with conductive parts

Thick multi-layer grip design provides protection against electric shock

Cleanly shears 6-32 & 8-32 screws
Shear-type cutting blades for clean cuts
DO NOT use to cut steel wire

For Professionals
