

Sioux Chief 554-100 Details

Use this Sioux Chief hanger strap as a reliable way to secure DWV pipes. This strap is made from durable polypropylene. It features 1/8" diameter holes spaced 2 1/2" apart, which allows for a secure and reliable fastening to the pipe. For added convenience, this hanger strap can be cut to the desired length.

This strap can be used in temperatures ranging from 32 to 120 degrees Fahrenheit. It has a pre-drilled pilot hole, allowing you to easily attach it to a joist or stud using a screw or nail (sold separately). This strap has a maximum load rating of 20 lb., and it meets ASTM D-5857 standards.

Overall Dimensions:

Length: 100'

Width: 3/4"
